Student Name _____ Student ID _____

School _____

Your signature on this form confirms that you have read and understand the following statements:

- Receipt of Running Start Credit is contingent upon a student providing an official transcript from the community college that reflects satisfactory completion of the course and that the course meets or exceeds the Washington State Grade Level Expectations.
- Running Start credits will not be posted on a student's Washington State Official Transcript until an official transcript has been received from the community college. Courses taken during spring quarter of a student's senior year will not be posted before graduation ceremonies. Therefore, seniors who take graduation requirements through Running Start during spring quarter will not be able to participate in graduation ceremonies. We strongly recommend that seniors fulfill all graduation requirements prior to spring quarter.
- Running Start grades are entered into the SPS Powerschool system as the letter grade received, not the numeric grade.
