## Track & Field Safety Guidelines

Seattle Public Schools strives to protect each student-athlete from possible injury while engaging in school activities. The guidelines and information identified below have been established for this activity in order to protect the student-athlete and others from injury and/or illness. Participants and their parents/guardians should recognize that conditioning, nutrition, proper techniques, safety procedures, and well-fitting equipment are important aspects of this training program. Each participant is expected to follow the directions/standards of the coach and must understand that failure to follow such directions or adhere to standards may place the participant at risk.

Travel to and from off-campus facilities shall be in accordance with the directions of Seattle Public Schools field trip policy and the activity coach.

Sport guidelines are as follows:

- Make certain that you wear all equipment that is issued by the coach. Advise the coach of any poorly-fitted or defective equipment.
- Advise the coach if you are ill, have any prolonged symptoms of illness or have been injured.
- Engage in warm-up activities prior to strenuous participation.
- Be alert for any physical hazards in the locker room or in or around the participation area. Advise the coach of any hazards or concerns.
- Recognize the safety rules for restricted areas (e.g., javelin, discus, shot put, pole vault). These areas must be supervised.
- Stay on the designated running courses.
- Check equipment, apparatus, field and pits thoroughly before each use (e.g., debris in jumping pits, placement of standards, etc.).
- Be familiar with basic first aid treatment for heat exhaustion/stroke, sprained ankle, and other runner-related injuries.
