

Garfield High School

Name _____
(last) (first)

Graduation Requirements

Student ID _____ Graduation Year **20** _____

Twenty-one (21) credits, which equals 42 semester courses, are required to graduate from high school. Each semester course passed earns 0.5 credits. Students are required to have a Cumulative AND Core (Language Arts, Math, Science and History courses) GPA of 2.0. 60 hours of Community Service Learning, the Culminating Project and the High School Plus Plan must be completed.

** = Additional courses necessary for College Bound students. These courses taken in specific areas of study will count toward the "9 Electives" graduation requirement.*
