

Garfield Science Course Offerings 2021-2022

General Notes:

- Rightward-pointing arrows represent prerequisites.
- Vertical arrows (in the last two columns) suggest that students can move from/to these classes if other prerequisites are met.

Footnotes:

1. Honors designations may be available for these courses depending on the outcome of a district-led task force.
2. Must have completed AP calculus (A/B) prior to the start of class.
3. Must have completed Algebra II prior to the start of class.
4. The following cross-credited courses can fulfill SPS GRADUATION REQUIREMENTS for BOTH CTE/Occupational Ed and Science: CSE 142 AP Comp Sci A1/A2, Principles of Eng 1 & 2, Nutrition & Wellness. For more information, see Garfield Course Descriptions on the Academics page or check with your counselor.

Incoming 9th Graders:

- All incoming 9th graders (except HCC students) will be enrolled in Phys A / Chem A as 9th graders.
- HCC students, having taken Phys A / Chem A and Honors Biology in middle school, can choose from any of the 3rd column courses as long as other pre-requisites have been met.
